NEW YEAR'S EVE

Following the successful return of *Friday Night Happy Hour*, the Social Committee invited residents to a subsidised "New Year's Eve" dinner, for just \$5 per head.

Those who attended enjoyed Rotisserie Chicken & Gravy, Green Salad with condiments, and Potato Salad complimented with some interesting BYO wines.

At 9.00pm, the group gathered in the Sports Bar to watch the "Elder Park" and then "Glenelg" fireworks with drinks in hand and more food set out for supper.

By 10.30pm most residents had retired to their apartments to watch the "Round the World" fireworks on TV in their comfiest set of Pyjamas.

It is understood however, that there were a few revellers still on the 4th Floor watching the "Midnight" fireworks at Elder Park.

AUSTRALIA DAY AT THE ASHBROOK

After some hot weather during January, Australia Day was a balmy 30 degrees with a relieving cool breeze which blew calmly through the Barbeque area in The Ashbrook Courtyard area.

Approximately 25 residents joined together for a Barbeque lunch and sing along with the Ukulele group. It was the perfect spot, sitting under the shade of the large umbrellas and green trees.

A few Australian flags and other decorations added to the atmosphere as the meat was cooked and glasses clinked, we also snacked on a wonderful range of salads and desserts accompanied our lunch.

Although a few games had been set up (like Putt Putt, Quoits, and Bocce) most residents chose to enjoy quiet chat with friends or listening to the ukuleles group whilst singing along together.

HAPPY HOUR GUEST SPEAKER

11TH JANUARY 2019

Dr Tony Swain
Anaesthetist

The numbers wishing to hear Tony speak were unprecedented; 68 people added their names to the list!

The Sports Bar has a capacity to fit up to 50 guests in comfort, so it was decided that a second session would be added.

Tony's speech was extremely interesting and enlightening. He spoke about the development of anesthetics in the 17th and 18th Century with the use of ether.

Thank heavens we live today and don't endure the antiquated methods they used in those days!

We appreciate Tony taking the time to share his vast knowledge with us and hope to learn more from him soon.

CRAFT GROUP TRADING TABLE

We were again blessed with perfect weather for this event held on 17 November last year.

It was pleasing to see so many of our residents and their family and friends supporting us on the day. The trading tables were abundantly stocked with gifts and home-made goodies. The sausage sizzle and hot dogs were in demand and many followed this up with a chance to chat over a cuppa.

The Craft Group would like to extend our thanks to all who contributed in any way to making this day such a success.

Our overall profit was \$1720 which was a magnificent result. The proceeds (\$430.00 each) have been donated to the four nominated charities:

- Royal Flying Doctor Service
- Alzheimer/Dementia Research
- Parkinson's Foundation
- Matt Bowtell Prosthetics for children

Once again, thanks everyone for your support.
